About This Game

Driven by community suggestion, 505 Games and EKO Software introduce you to a new **single player 3rd person view experience that allows you to re-play the zombie crafting adventure "How to Survive" from a deeply immersive point of view**. Their rotten breath doesn't smell any better, they don't look any healthier, they still just grunt, but being closer up makes it a whole load more personal...

You'll have to survive a zombie infested archipelago crafting your own tools and weapons to fulfill your basic needs of food, water and shelter while facing natural and unnatural threats. A survival guide written by an eccentric stranger may be your only help...

Features:

- Navigate islands filled with exuberant scenarios filled with flora and fauna.
- Choose among 4 playable characters, with different stats and skill progressions.
- Hunt, fish, forage for food and water.
- Hundreds of items to handcraft weapons and tools. From fishing rods to flamethrowers.
- Play through the Story Mode or 8 demanding challenges.
- Additional free roaming mode includes Permadeath!

-
- Three difficulty levels, including new improved difficulty conditions for die-hard survivors!

How to survive? Any which way you can!

Game includes:
